Mr. Huston,

This letter is to confirm our discussions in Overland Park on May 11 and 12, 2006 concerning Remote Control Training. We agreed to the following:

“In reference to the UTU 2002 National Remote Control Agreement, how will employees in ground service who have not received RC Training be scheduled for such training?”

The appropriate Local Overview Committee will determine the RC Training schedule for those employees.”

If you agree that the above question and answer reflects our discussion, please affix your signature below.

Sincerely,

*Randy L. Luther*
